Milwaukee Radio Amateurs' Club, Inc.,
Milwaukee, Wisconsin.

Attention Board of Directors.

Gentlemen:

As you probably know the writer has been a member of our Club since September 1919, having served as Club President in 1920, 1930 and 1940 and therefore is celebrating his 40th anniversary as a member of the Worlds oldest continuously active Radio amateur Club.

On May 12, 1938 the Club presented me with a certificate of Honorary membership in the Club. At a later date I was given a Life Membership so that I could again serve the Club as a Director or other elective official, because it was revealed that an Honorary Member could not hold office in the Club.

Therefore, at this time, I am one of the few, if not the only member holding both Honorary Membership as well as Life Memberships in the Club.

And because I do not expect to again hold office in the Club, due to my age and physical condition, I would respectfully request that I again be listed in the Club Roster as an Honorary Member and that the listing as a Life Member be deleted.

Very truly yours,

Clarence N. Crapo
